

Wright Center CTSA Award Citation and Public Access Decision Tree

DID THE WRIGHT CENTER CTSA AWARD DIRECTLY SUPPORT THE REPORTED WORK?
(Examples: Personnel activity, Experiments/Analysis, infrastructure, pilot project work, scholar/trainee effort described in the product)

NO

(Examples: connection was limited consultation, routine service, or access to a resource, e.g., platform access, biostatistical support, REDCap support, recruitment support, or clinical research unit use, when the CTSA award did not directly fund the work.)
