

**VCU** C. Kenneth and Dianne Wright Center  
for Clinical and Translational Research

## Getting to CARI

The Collaborative Advanced Research Imaging (CARI) Center is located at:

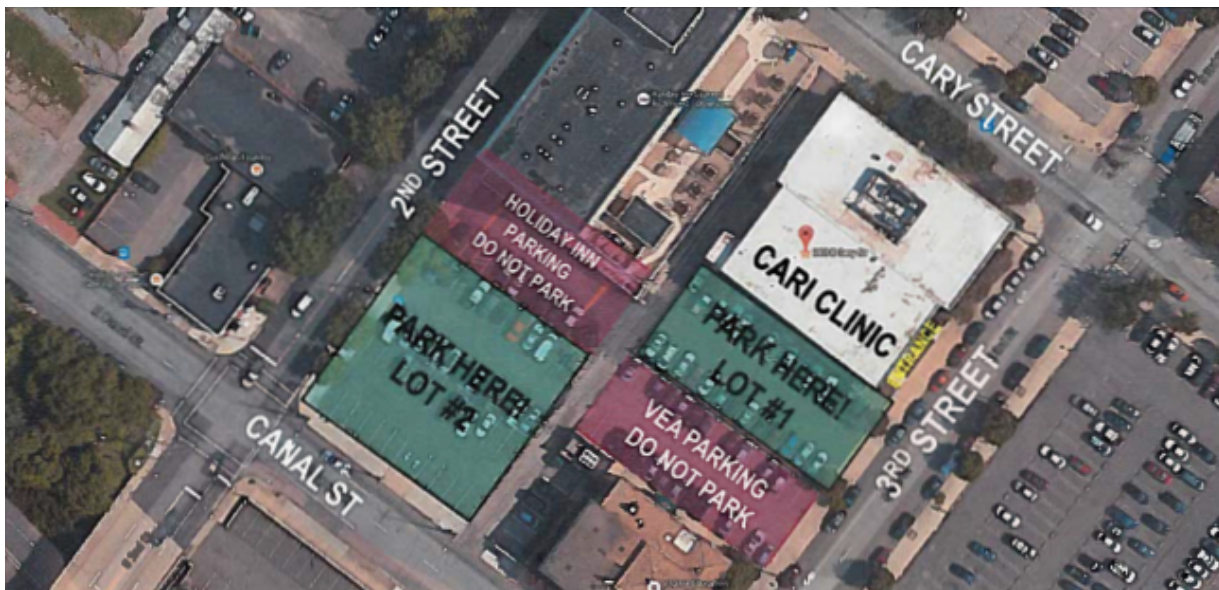

203 E. Cary St., Richmond, VA 23219

**Please note:** To access the CARI facility, enter at the basement entrance off 3rd Street.

### Parking

CARI offers two free parking lots for its visitors:

- Lot #1: directly behind the CARI Clinic building on the clinic side of the red wall
- Lot #2: the corner of 2nd St. and Canal St. (but NOT on the Holiday Inn side)

### Public Transit

Richmond's transit system, GRTC, services CARI via Routes 5 and 87. Go to [ridegrtc.com](http://ridegrtc.com) to plan your trip.

### Troubleshooting

Call (804) 828-3639 if you're having trouble locating CARI or parking.
