

VCU/VCU Health Clinical Research SOP Table of Contents (TOC)

VCU/VCU HEALTH CLINICAL RESEARCH STANDARD OPERATING PROCEDURES

SOP No.: CR-AD-000.4

Status: Final

Version Date: 04/17/2026

Effective Date: 04/17/2026

Important: Always confirm you are using and distributing the most current SOP version by checking the SOP website before each use. Current versions as of this TOC's effective date are listed below.

Section 100 – Administrative

CR-AD-000.3: VCU/VCU Health Clinical Research SOP Table of Contents (TOC)

CR-AD-100.5: VCU/VCU Health Clinical Research SOP Operational Guidelines

CR-AD-105.3: Investigator Responsibilities

CR-AD-110.4: External Qualification

CR-AD-115.4: Study Feasibility

CR-AD-120.4: Clinical Research Management System

Section 200 – Startup

CR-ST-200.3: Clinical Trial Registration and Reporting

CR-ST-205.3: Investigator Conflicts of Interest

CR-ST-210.3: Agreements for Externally-Sponsored Clinical Research

CR-ST-215.3: Coverage Analysis

CR-ST-220.3: Form FDA 1572

CR-ST-225.3: Pre-Study Site Qualification Visit

CR-ST-230.4: General Research Staff Training and Clinical Permissions

CR-ST-235.3a: Site Initiation Visit

CR-ST-240.3a: Study-Specific Staff Education and Training

Section 300 – Regulatory

CR-RE-300.3a: Adverse Event Management and Problem Reporting

CR-RE-305.3a: Coordination of External Regulatory Audits/Inspections

CR-RE-310.3: Data Safety Monitoring

CR-RE-315.3a: Informed Consent Process

CR-RE-320.3: Institutional Biosafety Committee

CR-RE-325.3: IRB Submissions and Communications

CR-RE-330.3: Participant Research Complaints or Concerns

CR-RE-335.3: Protecting Confidential Information

CR-RE-340.3: Protocol Deviations and Violations

CR-RE-345.3: Radiation Safety Committee

CR-RE-350.3: Sponsor-Investigator (IND/IDE) Applications

CR-RE-355.3: Sponsor Monitor Visit

CR-RE-360.3: Study-Specific Communications

Section 400 – Investigational products

CR-IP-400.3: Investigational Drug Management and Investigational Drug Transfer to Satellite Pharmacies

CR-IP-410.3: Investigational Device Management

| |
|---|
| Section 500 – Conducting clinical studies |
| CR-CO-500.3: Blinding – Codes and Code Breaking |
| CR-CO-505.3: Case Report Form Compliance |
| CR-CO-510.3: Clinical Research Record Management |
| CR-CO-515.3: Data Clarification |
| CR-CO-520.3: Data Management |
| CR-CO-525.3: Delegation of Authority |
| CR-CO-530.3: Electronic Data Capture Systems |
| CR-CO-535.3: Enrollment on Ancillary Studies |
| CR-CO-540.3: Essential Documents Maintenance |
| CR-CO-545.4: Participant Status and Change of Status |
| CR-CO-550.3: Participant Visits and Assessments |
| CR-CO-555.3: Record Retention and Archiving |
| CR-CO-560.3: Screening and Recruiting Research Participants |
