

CCTR Endowment Fund Multi-School Research Awards

Eligibility

- Full-time, tenure or non-tenure track faculty from at least two different collaborating schools at VCU.
- Faculty must be employed by and paid by VCU.
- Funds must be used to support new projects, although the applicant Investigators may have existing collaborations.
- Funds will not be awarded to support continuations/renewals of previously funded projects.
- New investigators may be PIs on up to two internal research awards (ADW Grants, CCTR Endowment Fund Grants, Presidential Research Quest Fund Grants, Massey Pilot Grants, etc.) within a four-year period.
- Senior faculty may be PIs on only one internal research award (ADW Grants, CCTR Endowment Fund Grants, Presidential Research Quest Fund Grants, Massey Pilot Grants, etc.) every four years.
- None of the PIs may have had an AD Williams or CCTR Endowment Fund Multi-School Award within the past 4 years.
- Investigators may only submit one application (as the PI) per funding cycle.
- For faculty who need pilot data before submitting an application for external funding, these funds support basic, clinic and translational, and community-engaged research that intends to:
 - Apply discoveries generated in the laboratory and preclinical studies to the development of clinical trials
 - Understand the biological basis for observed clinical manifestations
 - Enhance the adoption of best practices in the community
 - Conduct cost-effectiveness research
- Funds will support preliminary studies that enable researchers to develop hypotheses, collect preliminary data, and establish methods necessary for submission of highly competitive applications to extramural funding sources.

Award

- Up to \$130,000 awarded for an 18-month period
- Only direct costs allowed
 - **Allowed:** Supplies, patient stipends, equipment not otherwise available, cost for use of shared resources, and personnel costs as long as the expense is for the completion of a specific element of the research
 - **Not allowed:** Faculty or investigator salary, travel funds, publication costs, remodeling costs, and patient hospital costs/visit fees

Application deadlines

- Application deadline is **5:00PM** on the submission deadline date (May 1). If the deadline falls on a holiday or weekend, applications will be accepted until 5:00PM on the next working day.
- All applications should be electronically submitted no later than **5:00PM** on the application deadline date to cctrpilot@vcu.edu.

Reporting

- The PI will provide semiannual progress reports, using the format supplied by the grantor, to the Scientific Review Coordinator, Dr. Pamela Dillon. Continuation of funding will be contingent on successful progress of the research and completion of the required reports.
- Within one month of the termination of the grant, the PI must submit electronically a final report (one to two pages) summarizing the results of the research and a financial report summarizing expenditures by category to Dr. Dillon.
- One year after the termination of the grant, the PI must submit electronically a list of publications and externally funded grants resulting from the CCTR-funded work to Dr. Dillon.

Publications

- **Publications resulting from work supported by these funds must acknowledge VCU's CTSA (UL1TR000058 from the National Center for Research Resources) and the CCTR Endowment Fund of the Virginia Commonwealth University.**
